

Geo-Med

CO-MANAGED FEDERAL PROGRAM

Federal Partnership.

Geo-Med and Ecolab are proud to offer the Federal Government a unique co-managed partnership to support field sales in both the sales process and account management.

Founded in 2004, Geo-Med is a Service Disabled Veteran Owned Small Business (SDVOSB).

Contract Compliance.

Ecolab provides quality chemical formulations, unique packaging designs and innovative dispensing systems. In addition, we are the industry leader with innovation research and development, unparalleled service, world class training, global reach and sustainability with a focus on three key market segments:

- ▲ Infection Prevention
 - ▲ Sterile Processing
 - ▲ The Operating Room
- ▲ [GSA contract number GS-07F-0359T; effective 5/15/07 - 5/14/12 under Schedule 73 for Ecolab® Products.](#)
